

# Chryston Community Council

Minutes of meeting held virtually on 25<sup>th</sup> January 2021

Present – Brian Elder (Chair), Brian Rice, Claire Williams (Vice Chair), Steven Gladstone (Secretary), Danielle Harris, Roy Boyd (Treasurer), Norma Corrigan, Heather Findlay, Stuart Dallas

Apologies received from – Collin Little

Chairman's remarks: Brian Elder welcomed everyone to the meeting.

Previous Minutes adoption:

Business arising :

Secretary's Report : Secretary updated the Community Council on the Beacon newsletter statistics with 67% of users opening and reading the last edition. There were 5 new sign ups.

It was agreed that we should target end of March of next edition.

Chair added that the Covid helpline and group is staying active should it be needed in this current Lockdown phase.

Chair shared public available information on the prevalence of Covid in our area which was deemed very low.

Planning : Steven Gladstone updated everyone on some planning information. The old FEP site was under appeal and the Reporter had visited and turned down the appeal.

There was some concern raised about asbestos from the old Chilterns which had been reported to the local councillor.

Claire Williams notified the group that the proposed development on Greenlea Road was at the planning committee this Thursday.

Claire Williams mentioned concerns that the through road at Heathfield Farm development would not go ahead due to cost for the developer. It was to progress as the development grew and would be complete at the end. The Secretary agreed to speak with NLC Planning on the matter.

Reports :

Finance : Roy Boyd shared the latest finance data. It was also agreed to proceed with the MOU between the council and NCCV regarding the bike hire scheme.

It was agreed to continue to top-up the Covid phone as and when it was needed.

Roads and Lighting : Brian Elder reported pot holes as and when they were discovered. Steven Gladstone had reported the many blocked drains on Cumbernauld Road.

AOCB – Brian Elder discussed the pollution issue in the area and would try and find some statistics on this.

The Secretary was going to speak to NLC about the LDP for update.

Brian Elder updated everyone on the defibrillator and is expecting to hear imminently on this. It was also noted that Collins & Sons were considering one of their own which we welcomed.

Brian Elder sought and received approval for Scotways renewal.

Next meeting 22<sup>nd</sup> February 2021; 7:30 Virtually.
